

Exclusive features in Creative Cloud:

Cloud storage

Get 100GB of file storage with the Creative Cloud for teams All Apps plan or get 20GB with the Single App plan. Capture all the activity related to your files in one place: upload new versions of your work, maintain past versions, and share assets across desktop and mobile.

Expert support

The Creative Cloud for teams All Apps plan includes exclusive access to Adobe's expert support organization. Every year, each member of your team gets two one-on-one sessions with an Adobe product expert, and administrators get advanced 24/7 tech support.

Creative Cloud Packager

Centrally deploy and update all of the Creative Cloud apps, or a customized subset, across your organization using Creative Cloud Packager. Or enable users to install and update apps on their own.

Centralized administrative tools

Easily add, track, and reassign both All Apps and Single App seats of Creative Cloud for teams across your organization through the intuitive Admin Console.
