

# BAMBOO™ Spark

## Product Description

Take notes. Make ideas. From paper, to cloud, to life.

The Bamboo Spark is a smart folio with a smart ballpoint pen, and a spot for your favorite paper. Write by hand. Press a button and save your handwritten notes to the Bamboo Spark app for light editing. Use the Wacom Cloud for archiving, sharing and access anywhere.

## Key Features

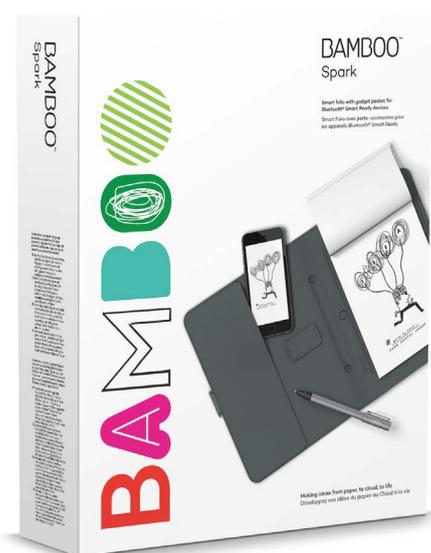

- Capture handwritten notes on any paper and with a push of a button your handwritten content is saved in the Bamboo Spark app for light editing and sharing
- The Wacom Cloud gives you access to your content on most devices: smartphone, tablet or computer
- Works seamlessly with cloud-based services, including Evernote or Dropbox
- Shape your notes in Bamboo Paper with WILL™ universal ink, which allows the content to stay dynamic within the Wacom ecosystem

## Version descriptions

Smart folio with gadget pocket - a smart folio with space to carry your smart phone, business cards or extra paper.

Smart folio with tablet sleeve - a smart folio with a flexible sleeve to hold a tablet with up to a 9.7 inch (diagonal) display.

Smart folio with snap-fit for iPad Air 2 - a smart folio designed to fit the iPad Air 2.

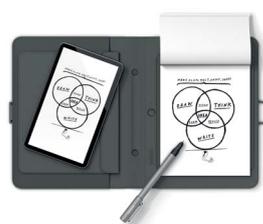

## Target group

We are targeting digitally savvy, early adopters, many of whom are young professionals, university students, and visual thinkers. The target audience has a deep connection with pen and paper for the simplicity and freedom it provides in note-taking, ideating and creating. In the past, moving their handwritten notes and ideas into the digital took multiple, complex steps. Bamboo Spark provides our target audience with a seamless, simple solution to move their ideas into the digital world for archiving,
