

EDUCATION INSTITUTIONS

Adobe Creative Cloud for enterprise

Creative Cloud for enterprise brings together everything you need to empower your faculty, staff, and students to create and manage content across mobile, desktop, and the web—in a secure way.

Creative Cloud for enterprise provides your institution access to the full range of creative desktop apps for digital imaging, design, web, and video, plus online services and storage based on your membership plan. Best of all, the latest updates, new features, apps, and services are available as soon as they're released. Plus, centralized license management tools allow IT to easily take care of your deployment needs.

Benefits of Creative Cloud for enterprise

You can customize the deployment of Creative Cloud to meet the specific needs of your institution. Creative Cloud for enterprise includes:

- Ongoing access to the full range of Adobe creative desktop apps, including Photoshop, Illustrator, InDesign, and Acrobat Pro
- Creative Cloud exclusive apps such as the Adobe Edge family of HTML5 tools, Photoshop Lightroom, and Adobe Muse
- Creative Cloud services including Edge Inspect, Typekit desktop fonts, PhoneGap Build, and Story Plus—plus mobile apps for capture, drawing, imaging, and video
- Cloud storage and folder sharing to enable collaboration between students, faculty, and departments*
- Centralized license management options including Federated ID with single sign-on (SSO) authentication via SAML 2.0 using the Adobe Enterprise Dashboard and Creative Cloud Packager
- Enterprise support and optional Expert Services appointments for product and workflow training, and best practices
- In-context learning resources with access to hundreds of tutorials based on experience level
- Workflows connecting Creative Cloud with optional add-on solutions such as Adobe Acrobat, Adobe Digital Publishing Suite, Adobe Anywhere for video, Adobe EchoSign, Creative Talent Search, and Adobe Marketing Cloud

* Available only with Creative Cloud for enterprise Complete membership plan with storage and services.

Creative Cloud for enterprise[†]

Always have access to the latest Adobe creative apps, services, IT tools, and enterprise support.

Apps, services, and features

What it's used for

	Apps, services, and features	What it's used for	
Design tools	Adobe Photoshop	Edit and composite images, use 3D tools, edit video, and perform advanced image analysis	
	Adobe Illustrator	Create vector-based graphics for print, web, video, and mobile	
	Adobe InDesign	Design professional layouts for print and digital publishing	
	Adobe Bridge	Browse, organize, and search your photos and design files in one central place	
	Adobe InCopy	Collaborate in editorial workflows with this solution that tightly integrates with InDesign	
	Adobe Acrobat Pro	Create, protect, sign, collaborate on, and print PDF documents	
Web tools	Adobe Photoshop Lightroom	Organize, edit, and publish digital photographs	
	Adobe Dreamweaver	Design, develop, and maintain standards-based websites and applications	
	Adobe Flash Professional	Create rich interactive content across varied platforms and devices	
	Adobe Flash Builder Premium	Build exceptional applications for iOS, Android, and BlackBerry using a single codebase	
	Adobe Fireworks	Rapidly prototype websites and applications and optimize web graphics	
	Adobe Muse	Design and publish HTML websites without writing code	
	Adobe Edge Animate	Create interactive and animated web content with HTML5	
	Adobe Edge Inspect	Preview and inspect web designs and content on mobile devices	
	Adobe Edge Reflow (Preview)	Design responsive CSS layouts for all screen sizes	
	Adobe Edge Web Fonts	Access a library of free web fonts to use in your websites	
Video and audio tools	Adobe Scout	Test and optimize content for Adobe Flash Player and Adobe AIR	
	Adobe Gaming SDK	Create and monetize games across devices	
	Adobe Premiere Pro	Edit video with high-performance, industry-leading software	
	Adobe After Effects	Create industry-standard motion graphics and visual effects	
	Adobe Audition	Create, edit, and enhance audio for broadcast, video, and film	
	Adobe SpeedGrade	Manipulate light and color in video footage	
	Adobe Prelude	Streamline the import and logging of video, from any video format	
	Adobe Prelude Live Logger	Jump-start the production process by logging video on your iPad while shooting footage	
IT tools and support	Adobe Encore	Author DVDs, Blu-ray discs, and web DVDs	
	Adobe Media Encoder	Automate the process of encoding video and audio to virtually any video or device format	
	Named-user licensing	Assign licenses to individual users based on Federated ID (SSO support via SAML 2.0), Enterprise ID, or Adobe ID, simplifying license management and software deployment tasks	
	Adobe Enterprise Dashboard	Establish and manage users, groups, and entitlements, as well as access deployment tools and enterprise-level customer support, with this centralized, web-based console	
	Packaging and deployment tools	Build custom packages of the apps and services, providing full control over product version, licensing type, and update policy, via Adobe Creative Cloud Packager, an intuitive packaging tool	
	Enterprise-level support	Access specialized support personnel 24x7, 365 days per year, in multiple languages, who can assist with deployment planning, license management, and more	
Apps and services	Expert Services	Get 10 1-hour phone sessions with an Adobe expert (optional)	
	Product training	Provide users with access to hundreds of hours of free online training modules in the Creative Cloud Learn area	
	Apps and services available only with Complete membership plan		
	Adobe Edge Code (Preview)	Speed up development with a lightweight HTML and CSS editing tool	
	Adobe Lightroom mobile	Edit, organize, and share images anywhere on your iPad or iPhone	
	Cloud storage	Get 2GB per seat of cloud storage for file sharing, collaboration, and syncing	
	Collaboration	Collaborate with colleagues inside or outside your organization; keep files private or share at will	
	Sync Settings	Synchronize settings between multiple computers so you have the same preferences, swatches, brushes, actions, workspaces, and other presets wherever you work	
	Adobe Story Plus	Organize video productions with collaborative screenwriting, reporting, and scheduling tools	
	Adobe Color	Create inspiring color themes and explore hundreds of thousands of themes shared by others	
Adobe Typekit desktop fonts	Choose from over 700 desktop fonts from the growing Typekit library, sync them to your desktop, and get immediate access to them in the font menus across your apps		
Adobe PhoneGap Build	Create mobile apps using the web tools you love—HTML, CSS, and JavaScript—and then easily compile them for multiple platforms in the cloud		
Behance ProSite	Find inspiration, showcase work, and receive feedback, plus build and manage your personal portfolio site
