Target Market

Photo Enthusiasts

From hobbyists starting out with their first DSLR, to photo enthusiasts and prosumers, every photographer needs tools that help them achieve their creative vision. PaintShop Pro 2018 provides everything photographers need to edit, make quick adjustments and manage an entire photo collection in one product.

Graphic Designers and Creative Consumers

With layers, vector tools, and painting and drawing tools, PaintShop Pro 2018 is ideal for many graphic designers—at home or at work. Graphic designers use PaintShop Pro to make a variety of compositions, including scrapbook content, posters, web graphics and more. Creative consumers produce content to share with friends and family. Both groups will love PaintShop Pro's new color palettes, brushes, gradients patterns and textures.

Businesses

For businesses of all sizes, PaintShop Pro is enormously valuable at work for everything from creating graphics for presentations, to using screenshot and annotation tools to communicate with clarity. Volume licensing, network deployability and quantity discounts make PaintShop Pro an excellent choice for business and education settings.
