The experience speaks for itself™

PaperPort® 14

Scan, Share, Search, and Organize Documents on your PC

Overwhelmed with paper? PaperPort® 14 can help to simplify the chaos by organizing your paper documents – documents, receipts, photos, and more – into digital files on your files on your desktop.

PaperPort 14 is Nuance's most popular scanning and document management solution, carefully designed specifically for home office use. Part traditional file cabinet, part digital-document desktop, PaperPort 14 is the fastest and easiest way to scan, share, search, and organize your documents.

Additionally, PaperPort 14 now delivers anytime-anywhere access to your most important files however it's convenient for you – using a PC, Mac, iPhone, iPad, or Android device.

Works with any Scanner

Say goodbye to all the challenges related to paper. PaperPort 14 works with all-in-one printers, mobile scanners, desktop scanners and more – making document management faster, easier, and more effective.

PaperPort Anywhere: Welcome to the Cloud

PaperPort Anywhere® connects your PaperPort 14 desktop on the PC to the cloud so you get automatic access to your most important folders, files, documents, and photos via any device, including Mac® or PC.*

Anytime-Anywhere on Mobile Devices

With free applications for today's most popular mobile devices, you can browse, search, view, download, and upload documents to PaperPort Anywhere using your iPhone®, iPad®, and Android™ devices.

Maximum Security. Maximum Peace of Mind.

With security features such as full encryption of documents in transit, state-of-the-art intrusion detection, and privacy certification, you can rest assured your documents, files, and personal information are protected.

NUANCE

The Power of PaperPort

Get more organized
PaperPort gives you a single solution for scanning paper and accessing, viewing, editing, and converting files on your PC – the best way to get, and stay, organized.

Take advantage of the cloud
Plus, with PaperPort Anywhere, you can extend powerful document management capabilities to any device with a browser. PaperPort even delivers apps for iPhone, iPad, and Android devices for maximum access, peace of mind, and collaboration.

Go green
Reduce waste and conserve energy by putting an end to your reliance on printing, faxing, and mailing. You'll save money, too!

Gain true peace of mind
Improve document management processes with PaperPort. Once you file a document in PaperPort, you can rest assured it will never be lost, damaged, or accidently thrown away.

Get more done faster
PaperPort 14 includes a powerful PDF Viewer that replaces the free Adobe® Reader®, so you can view, edit, and share PDF documents like never before.

Clean up and enhance digital photos
Scanning pictures is just the first step. PaperPort helps make your digital photos look better than ever with a feature-rich set of photo tools and optimal resolution for screen and print.

Fill out forms quickly, neatly
FormTyper® converts scanned paper forms into electronic forms you can fill out, save as PDF, and email. It's fast, easy, and automatic.

Works with any scanner
Make your all-in-one printer, mobile scanner, or desktop scanner faster and easier to use with PaperPort 14. Get better results, too.

Find information instantly
Now you can create searchable digital PDFs from digital files and scanned paper documents. Then, to quickly locate a specific file, simply enter keywords or phrases into a desktop search.

Become an expert ... in no time flat
PaperPort reduces the complexity of scanning to a single push of button. Set-up a breeze, and once start, you will quickly have all your documents stored and accessible in one easy-to-use application.

Convert paper into text
PaperPort converts paper to text in one, easy step. Just drag and drop a scanned document onto any text application in the PaperPort "Send-to" bar to create editable text for instant use in word processing or spreadsheet software.

Minimum Hardware Requirements
- Intel Pentium compatible, or newer CPU
- 1 GB RAM
- 700 MB free hard disk space for application files and installation
- 1024x768 resolution display with 16 bit (High Color) or better
- Windows compatible pointing device

Supported Operating Systems
- Windows XP 32-bit SP3
- Windows Vista 32-bit and 64-bit with SP2 or higher
- Windows 7 32-bit and 64-bit

Supported Web Browsers (Favorites and PDF Viewer)
