- MP3
- DAISY talking books

Converts:

- Word documents
- PDFs
- Plain text or HTML
- NIMAS, DAISY & EPUB
- Paper documents via scanner

Meet your legal obligations for inclusion & accessibility with EasyConverter

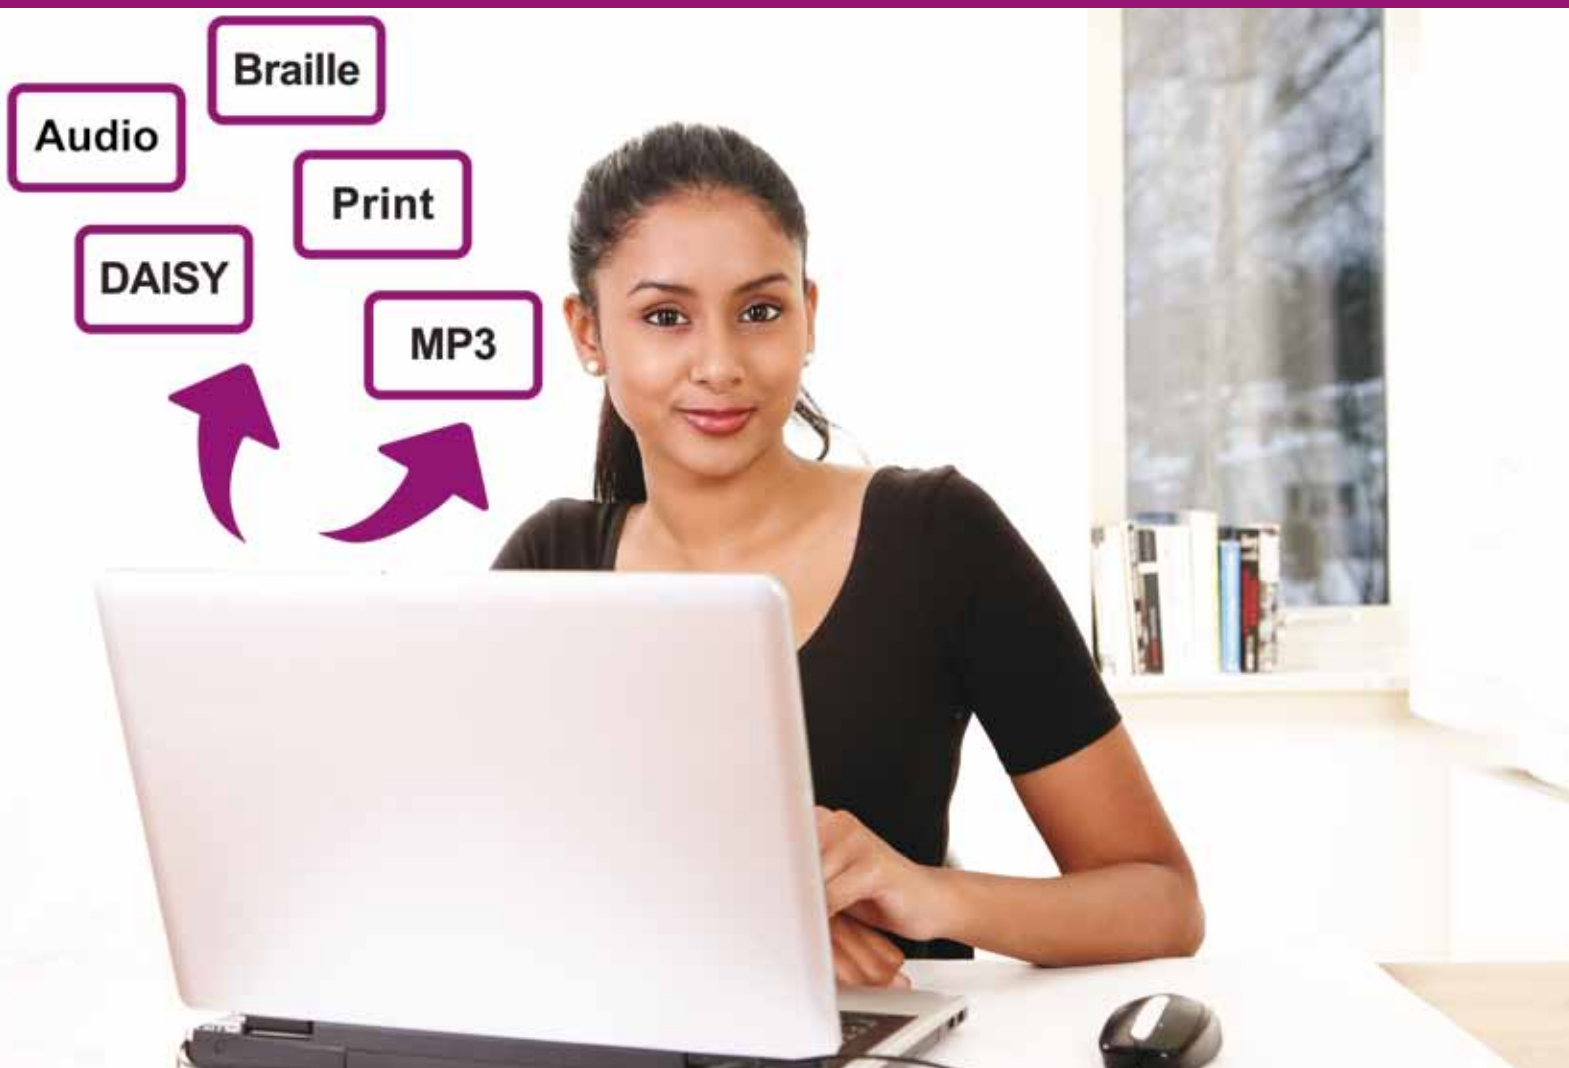

Create Accessible Information the Easy Way

EasyConverter is ideal for employers, charities or education environments who are looking to provide accessible information to their print impaired readers.

Perfect for beginners, EasyConverter requires no expertise or previous experience with alternative formats. Three simple steps are all it takes to convert your documents into large print, braille, MP3 or DAISY formats.

“Where EasyConverter shines is the fact it can do all of it; large print, audio & braille very, very simply.”

Matthew Horspool, Exhall Grange School
