

TRANSFORM YOUR IPAD INTO A PROFESSIONAL DIY VIDEO PRODUCTION STUDIO

THE "IN-HOUSE COUNSEL" OF PROFESSIONAL VIDEO FOR YOUR LAW FIRM

Transform your iPad into an all-in-one mobile production studio with the Padcaster.

Rugged, elegant, and versatile, Padcaster lets you create professional-quality video content with its wide-angle lens, shotgun microphone, and dual microphone/headphone cable. From constructing high quality video content for your website to producing webinars, seminars, events and video depositions, the Padcaster replaces the need for an expensive, external video production firm to suit all of your video marketing needs. With the Padcaster you can create professional video with ease.

The Padcaster

Fits all iPad, iPad Air, iPad Pro9.7 and iPad mini models

PADCASTER INCLUDES:

Lens Bracket with 72-58mm Step-Down Ring

.45 Wide-Angle Lens

Padcaster Unidirectional Microphone

Dual Mic & Headphone Cable

Lifetime Unconditional Warranty

additional accessories available

SELECT ACCESSORIES

VT-16 TRIPOD

The VT-16 is a robust, three-stage aluminum tripod with an adjustable ball head and quick release plate to lock your shot down fast.

V-POD PISTOL GRIP TRIPOD

A sturdy pistol grip and telescoping mini-tripod, the versatile PT-16 is great for hand-held filming and on-the-fly interviews.

XP-38 LED LIGHT

The XP-38 LED is a variable brightness, daylight balanced light that accepts AA or Lithium-ion batteries and has a swivel neck for easy positioning.

MXL-LSM5 STICK MIC

The LSM5 stick mic provides a solid low-end and clear high-end frequency ideal for eliminating unwanted feedback in live settings. Comes with a six-foot Female XLR to 3.5mm (mini) Male TRRS split cable with a 3.5mm headphone jack, allowing you to record and monitor your audio with one cable.

TPCS-1 - THREE-PIECE CLAMP SYSTEM

Padcaster's three-piece clamp system includes a Mini Clamp, Cold Shoe Stud and Cold Shoe adapter. Attach

GPA-1 GO PRO ADAPTER

Pop your GoPro in this tripod adapter and attach it to the Padcaster frame. Add accessories and you've got a full-function GoPro Cage system.
