

CREATOR®^{NXT} 6

Manage your media with complete editing and industry-leading burning tools.

EDIT PHOTO & VIDEO

- **NEW** MultiCam Capture™ - capture video from multiple devices and bring it all together in the multi-camera editor - perfect for video makers and YouTubers.
- **ENHANCED** Edit videos, add effects, titles, transitions and music, enhance color and stabilize shaky video footage. Enjoy new Motion Tracking, Track Transparency, convert 360 video to standard video and more!
- Edit photos, enhance color, reduce red eye, erase wrinkles and correct imperfections.
- Create photo and video slideshows with easy drag-and-drop controls.
- Record your screen, capturing audio and voiceover with Live Screen Capture.

CAPTURE & CONVERT MEDIA

- Capture* video or audio from the web and convert to popular file formats.
- Rip* audio from CDs, music DVDs and the Internet, or digitize and clean up LPs and tapes.
- Edit and enhance your media with easy video and audio editing tools.

BURN & SHARE YOUR MEDIA

- Burn and copy* discs from your desktop with easy drag-and-drop controls.
- Burn videos to disc complete with interactive DVD chapters and menus.
- Copy* and convert video and audio to enjoy on your favorite device or social media channel.
- Backup your files with ease using Roxio® BackOnTrack.

*Does not rip or copy encrypted or copy-protected content.
