Promethean®

EXPERIENCE THE
Elements

Virtual **Remote** **On-Site**

Ready to review your interactive displays?

Simply choose the ActivPanel demonstration which best suits your school's individual requirements then schedule a convenient date and time with the Promethean team.

Virtual
Interested in an interactive session online? Hosted via video conference, this one-hour virtual demonstration live streams the ActivPanel in action, with content targeted at your specific needs.

Remote
Want to experience the ActivPanel yourself? Combine the virtual demonstration with a two-week system loan and remote support from Promethean.

On-Site
Prefer a full on-site demonstration? Promethean has established robust working practices to visit schools safely, and will leave the ActivPanel behind for two weeks so you can conduct a full evaluation.

Giving schools flexibility, confidence, and choice.
